The Real Secret of the unparalleled success of THE CHICAGO DAILY NEWS may be found in two distinguishing characteristics, which more than anything else have con-

which more than anything else have con-tributed to its remarkable growth.

Figure:—It is a Daily Paper for Busy People.

The people of the busy West appreciate keen-ly the accessity of an intelligent knowledge of the world's daily doings, but they are too busy to waste valuable time in smarching through a cumbrous " blanket-sheet " news paper for the real news of art, literatore paper for the real news of art, literatore, science, religion, politics, and the thousandand-one things which make up modern civfligation. They want news—all the news—
but they don't want it concealed in an overpowering mass of the trivial and inconsequential. It is because THE CHICAGO DAILY
NEWS is "all wheat and no chaff," that
the circulation is over "a million a tweek,"

Secondary Literal Parkhydiant, Truth telling

the circulation is over "a million a week."

SECOND :—It is an Independent, Truth-telling
Neunpaper. The people demand a fair, importial, independent newspaper, which gives
all the news, and gives it free from the taint
of partisan bias. With no mere political ambition to gratify, no "ax to grind," the impartial, independent newspaper may truly be
"guide, philosopher and friend" to honest
meno forces whade of political faith. men of every shade of political faith; and this is why Tire Chicago Dally News has today a circulation of over "a million a week." THE CHICAGO DAILY NEWS now adds to these two comprehensive elements of popularity, a third, in its unparalleled reduction

of price to ONE CENT A DAY.

It is always large enough,—never too large.

THE CHICAGO DAILY NEWS is for sale by all newsdealers at One Cent per copy, or will be mailed, postage paid, for \$5.00 per year, or \$5 cents per month. The fariner and mechanic can now afford, as well as the merchant and professional man, to have his metropolitan daily.
